Notes: Due to safety codes you will be required to purchase a safety package for \$10.00. All sizes are approximate. See your PoolsAtADiscount representative for size and dimension details. All prices subject to change without notice and are FOB PoolsAtADiscount's warehouse in Colonial Heights, VA. PoolsAtADiscount reserves the right to correct errors on this price list. All products are based on requirements and standards for residential pools in the Commonwealth of Virginia. You must determine the standards and requirements that apply in your locality

PoolsAtADiscount Inground Kits include the following: walls, braces, nuts, bolts, inside and outside corner fillers (if required), coping (your choice receptor or side mount,), tek screws, liner¹, stair², 3-step ladder with anchor sockets and escutcheon plates, pump³, sand filter³, skimmer⁴, return⁴, and safety rope and floats with brackets.

1. The liner included is your choice of one of PoolsAtADiscount's standard 20mil patterns. There will be an additional charge for any other pattern or thickness .
2. Stairs are 6' wide and extend out from the pool approx. 4 or 5 feet. This is not included in the size of the pool and must be considered when determining pool placement. Some pools may not have room for a stair. These pools will come with a ladder instead.
3. Pumps and filters are appropriately sized for each pool. 4. The number of skimmers and returns are appropriately determined based on pool size.
